Quilt size chart

Last checked 2026-11-17

Quilts have no official sizes: a throw is about 50-60 x 65-72 in and a queen about 90 x 95-108 in. Pick a size inside the range and check it against your mattress.

Quilt size	Mattress	Finished quilt size (range)	Status
Baby / crib	Crib: 28 x 52 in	36-40 x 45-60 in	
Throw / lap	No standard mattress	50-60 x 65-72 in	
Twin	Twin: 38 x 75 in	60-70 x 80-90 in	
Full	Full: 54 x 75 in	76-84 x 87-96 in	
Queen	Queen: 60 x 80 in	90 x 95-108 in	
King	King: 76 x 80 in	108-110 x 95-110 in	
California king	California king: 72 x 84 in	102 x 100 in	Single source

Quilt sizes are conventions: the ranges differ between sources. Mattress sizes are as two mattress makers list them.

Quilt width = mattress width + 2 x drop; length = mattress length + drop + pillow tuck.

Computed or quoted from the sources below; check your pattern or manual before you cut.
